

## Project Design Phase-II Data Flow Diagram & User Stories

Date	15 October 2022
Team ID	PNT2022TMID32724
Project Name	Project – Car resale value prediction
Maximum Marks	4 Marks

### Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right value of the resale car of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
